The UBCF Story

- ◆ Founded in October 2000, United Breast Cancer Foundation (UBCF) is a platinum rated national 501(c)(3) nonprofit that began as a small grassroots organization serving low-income, under and non-insured women and men in New York State.
- ◆ We serve women, men, and families across the country through 8 life-supporting patient and family programs.
- ◆ Ms. Stephanie Mastroianni, our Executive Director since 2001, has shaped UBCF into the wonderful organization that it is today due in large part to her personal experience with breast cancer. Stephanie's mother, Audrey B. Mastroianni (pictured to the right), passed away from this disease at the age of 42.
- ◆ UBCF is committed to honoring Audrey's memory through our passionate dedication to our mission, programs and superior client care.

"WITHOUT THE LOVE OF THE UNITED BREAST CANCER FOUNDATION I HONESTLY BELIEVE I WOULDN'T BE IN THE PLACE WHERE I AM TODAY."

OUR CLIENTS

Thank You UBCF

"Thank you, thank you for the new mattress! I had no idea how poorly I really was sleeping! I truly had no idea! I'm starting to feel a bit like myself post chemo - it's been about 2 weeks since my last chemo.

I just started working full-time last year, before my diagnosis, after going to school to become an accountant. They think a busy season of 60 hour weeks will be too demanding on my body while I'm still recovering from chemo and getting myself ready physically and mentally for a surgery [in March]. I look forward to helping my family with a full-time income again in May.

The mattress was a huge help. I know better sleep will help me recover. Also, the nice, pampering self-care items were extremely appreciated!!!

I needed that. I felt like a princess!

Thank you all! "

THANK YOU!

I can't thank you enough for your box of hope. For me it was like Christmas. It made me smile and I felt all the love and care that the Twisted Pink volunteers had put inside my Box of Hope.

I'm at the beginning of my treatments and I seem to be in a fog. Just kind of feel like nothing. But when I got your box yesterday it was as though I woke up from my stupor, I'm ready to kick ass and beat this Cancer.

This morning I woke up, with boxing gloves on. I've got this now. Thank you Twisted Pink and UBCF. You have no idea how you have saved me.

"Thank you so very much... Cancer has prevaded my life so much. I'm coming up on both my four year cancernersary but also a year since my dads death from prostate cancer. We have the BRCA2 gene mutation so it's quite hard to forget about cancer, especially with four children who have a 50/50 chance of having the mutation! This expression of love and care by your foundation really means the world to me. Gives me some happiness to look forward to!!

God bless always"
